

SOME OF OUR

2025

MEDICAL & MEDICAL RELATED CONFERENCES

Find as listed in this flyer, some core medical and other related engagements we shall be involving in, within the year. As we have always done, the Conferences shall continue to offer opportunities for exhibitions, industry presentations/symposium, different levels of sponsorships, placement of products/services advertisements in brochure, brandings, product launching/re-launch and a host of other options that can be explored.

While as at the time of compiling we have concluded on some, we are still in discussions with some other groups; hoping to conclude very soon. Those groups are marked “probability” here.

LogoDo kindly find time to go through the listing and if it is possible, let us know your interest(s) so that once we develop the Marketing document, we shall share with you.

PAEDIATRIC ASSOCIATION OF NIGERIA (PAN)

For eight years back-to-back, we open our working year with this Conference of Nigerian Paediatricians generally known as PANCONF.

The Conference is holding in Gombe this year and our Marketing document has been in the public space since last year.

Dates: Wednesday 22nd to Friday 24th January. | Venue: International Conference Centre, Gombe.

NIGERIAN ASSOCIATION OF NEPHROLOGY (NAN)

Out of Gombe for PANCONF, we shall return and settle in Abuja to deliver the 37th Annual General Meeting & Scientific Conference of the Nephrologists.

So far, the planning is at an advanced stage and there is every pointer to the fact that it shall be a great **International** meeting. What, with nearly a dozen foreign Companies keying into various aspects of the Conference deliverables.

There is still time for you to engage if you haven't done so!!

Dates: 20th and 21st February. | Venue: Abuja Continental Hotel.

THE 36TH ENUGU INTERNATIONAL TRADE FAIR

The Enugu International Trade Fair is next in ranking to the famous Lagos International Trade Fair. In their 36 very long years of organising the Fair, the Enugu Chamber of Commerce, Industry, Mines & Agriculture (ECCIMA) has decided to do things differently and key into the modern ways. Thus, it is handing the lead Marketing and key Event Management aspects of the Fair to an outfit that is professional in the pole position to deliver positives.

Xavier Communications Ltd, has been saddled with the onerous responsibility of shoring-up the entire Fair as it has never happened before. We are equal to the task!!!

We extend an invitation to you. Key in and do any or all of;

- Gaining a new Market East of the Niger
- Expanding your already built Contact/Trade
- Shore-up your contact base
- Entrench in the very vibrant economy of the South East and South South

Dates: 4th to 14th April. | Venue: Permanent Site, Trade Fair Complex Enugu.

NIGERIAN HYPERTENSION SOCIETY (NHS)

We then come with Hypertension...no, not the ailment but the Conference!!

We were in Lagos last year but shall return to Abuja for the 2025 edition.

Dates: 23rd and 24th June. Logo Venue: Yar'Adua Center, Abuja.

NIGERIAN ASSOCIATION OF PATENT & PROPRIETARY MEDICINE DEALERS (NAPPMED)

Take a deep breath please!!

We have since put the disappointment of Kano last year behind us. We are looking at the 2025 edition with great optimism. Why not!! It is the 10th Edition of the National Rally and Summit of this great Association. Anambra holds the promise of being the best in the series and the entire South Eastern States are in a united front to make this 10th Edition a great showcase. Don't wait to be there!!!

Dates: Thursday 12th and Friday 13th June | **Logo Venue: Awka. Exact venue to be decided.**

HOSPLAB INTERNATIONAL FAIR

This unique offering from the stables of Xavier Communications Ltd, is coming back on stream after a strategic break. It is put together for Industries playing majorly in the Hospital and Laboratory spheres. Usually, it comes with exhibition and Lectures/Exchanges by experts in the fields.

We are going to partner with very key groups (Associations/Industries) in the related field and there will be a Faculty of Speakers that will deliver on very topical issues around the core areas.

Dates: Wednesday 16th and Thursday 17th July | **Logo Venue: Welcome Centre Hotel, Airport Road, Ikeja Lagos.**

NIGERIAN SOCIETY FOR HAEMATOLOGY AND BLOOD TRANSFUSION – Probability

We are in talks with the LOC and shall update once done.

Dates: Early August. | **Venue: Jos, Plateau State.**

UNIVERSITY OF PORT HARCOURT TEACHING HOSPITAL

The University of Port Harcourt Teaching Hospital shall be holding activities to mark her 45th Founders' Day. From the plans, it will be a whole week of various activities.

Watch out for details soon as they unfold.

Dates: Late August. | **Venue: University of Port Harcourt Teaching Hospital.**

OPHTHALMOLOGICAL SOCIETY OF NIGERIA (OSN)

The 50th AGM and 49th Scientific Conference of the Association will be up this year and expectations is that activities of the Conference will be scaled up to clearly celebrate the Golden Jubilee of the Association.

Dates: Late August/Early September. | **Venue: Kano. Exact Conference venue to be determined.**

SOUTH EAST POULTRY SUMMIT & EXPO

Known as the biggest Poultry/Livestock show East of the Niger, the South East Poultry Summit and Expo is a two days showcase of Poultry/Livestock not just in the South East but nationally. The 2024 edition had Industries in the sphere storm Enugu from across the Country. Same is expected in this year's edition.

It is mainly an exhibition event with some Plenary sessions on the sidelines.

Dates: 9th and 10th September. | **Venue: the Amadeo Event Centre, Enugu.**

ASSOCIATION OF RADIATION ONCOLOGISTS OF NIGERIA (ARCON) – Probability

We are hoping to engage for the LOC in the coming edition of their AGM/SC.

Dates: Early September.

Venue: Port Harcourt. Actual dates and venue shall unveil....

NIGERIAN CARDIAC SOCIETY (NCS)

This year's Conference of the Nigerian Cardiologists shall be an International one as their Annual Conference will come with the hosting of PASCAR; an Organization of Physicians from across Africa involved in the prevention and treatment of Cardiovascular disease.

Doubtless, it is a huge gathering in view and the Local Organising Committee is already in place, working with a view to delivering a most successful Conference of International Standard.

Dates: 15th to 19th September | **Venue: Shehu Musa Yar'Adua Centre, Abuja.**

NIGERIAN ORTHOPAEDIC ASSOCIATION (NOA)

The Association's 48th Annual Scientific Conference and General Meeting for this year, is expected to be much bigger and better than that of Enugu last year. The Enugu 2024 edition got all the credits for being the best organised and delivered Meeting of the Association in their series.

The 2025 LOC is already gearing up to break the record and Xavier Communications Limited which worked so closely with the Enugu Team to achieve the feat is just so glad to be in the reckoning of the 2025 LOC in terms of working with them.

Dates: November ending. | **Venue: Ibadan. Actual venue to be announced by the LOC.**

While we are still expecting to engage for more groups, we shall leave it as it stands for now. Be sure that we shall update once we make more conclusions. Again, it will be nice if I know your interests ahead.

THANK
You
